*Orange Technical College offers courses at various community learning centers throughout Central Florida.

\$2.92 PER OCK HOUR

*For Florida Residents

Orange Technical College prepares students for various careers and provides programs of study ranging in length from a couple of months to a year or more. Graduates can earn future college credits in most OCPS career certificate programs of study, as well as valuable work-related experience in their field of study. Industry certification(s) licensure may be available upon successful completion of many of the career certificate programs.

Changing Lives Through Education For 85 Years

PROGRAM INFORMATION

Adult General Education

Adult education offers courses that provide rigorous learning experiences to meet the educational needs of adults through literacy, high school completion, workforce preparation and technology. Among these programs are English for Speakers of Other Languages (ESOL), General Educational Development (GED®) Prep & Testing and more.

Apprenticeship

Apprenticeships provide a unique learning experience, combining classroom instruction and on-the-job experience. Through industry partnerships, students are able to take advantage of paid employment with no cost training. Completing each year of training elevates apprentices' hourly pay rate and their status within the skilled trade community.

Career Certificates*

OTC prepares students for a wide-variety of careers through programs of study ranging from a couple of months to a year or more, leading to industry certifications and licensures. Graduates can also earn future college credits in most career certificate programs, in addition to valuable work-related experience in their field of study.

Continuing Education & Personal Interest

OTC offers short-term courses and workshops design to provide students the industry-specific skills needed to gain entry or remain current in a vary of professions. Typically, these courses take just a few days or weeks to complete, and a lide implicate value to job seekers, as well as those who are currently employed.

Dual Enrollment

Dual Enrollment allows OCPS high school students. The contract of a half-day or, at some schools, enroll in OTC courses offered on the contract of a half-day or, at some schools, enroll in OTC courses offered on the contract of a half-day or, at some schools, enroll in OTC courses offered on the contract of a half-day or, at some schools, enroll in OTC courses offered on the contract of a half-day or, at some schools, enroll in OTC courses offered on the contract of a half-day or, at some schools, enroll in OTC courses offered on the contract of a half-day or, at some schools, enroll in OTC courses offered on the contract of a half-day or, at some schools, enroll in OTC courses offered on the contract of a half-day or, at some schools, enroll in OTC courses offered on the contract of a half-day or, at some schools, enroll in OTC courses offered on the contract of a half-day or, at some schools, enroll in OTC courses offered on the contract of a half-day or, at some schools, enroll in OTC courses offered on the contract of a half-day or, at some schools, enroll in OTC courses offered on the contract of a half-day or, at some schools, enroll in OTC courses offered on the contract of a half-day or, at some schools, enroll in OTC courses offered on the contract of a half-day or, at some schools, enroll in OTC courses offered on the contract of a half-day or, at some schools, enroll in OTC courses offered on the contract of a half-day or, at some schools, enroll in OTC courses offered on the contract of a half-day or, at some schools, enroll in OTC courses offered on the contract of a half-day or, at some schools, enroll in OTC courses of a half-day or, at some schools, enroll in OTC courses of a half-day or, at some schools, enroll in OTC courses of a half-day or, at some schools, enroll in OTC courses of a half-day or, at some schools, enroll in OTC courses of a half-day or, at some schools, enroll in OTC courses of a half-day or, at some schools, enroll in OTC courses of a half-day or, at some schools, enroll in
